- COMMUNITY GROUP SESSIONS -

1. Keys to the House of Leadership

- This group session is designed to provide people with the tools, share strategies to lead better in their churches, careers and communities.

2. What's Your Mental Make Up

- This session will focus on a discussion on mental health and give participant's tools to assist mental hurdles while also learning more about themselves in the process.

3. Show me the Money!

- This group will address hurdles of being financially stable and learn together to build greater financial habits. There will be a focus on investing and building wealth.
